Looking into AIDS

Grades: 6-12 (can be modified for grades 3-5)

DIRECTIONS:

You have learned something about HIV/AIDS/STD. This is a test to find out how much you know.

How?

1. Answer true or false to each of the statements below by placing a circle around T or F.
2. When your teacher has given your class the correct answers, place a (1) in the box to the left of each statement if you got the answer correct and a (0) if you got it wrong.
3. Add up your score and place it in the box at the end of the test.
4. Then look up your score in "What does your mean " and read your rating.
